

INFORMATIONS.

1980

September	Purdue University West Lafayette Indiana USA	Remote Sensing Short Course (numerical analysis of remote sensing data)	Douglas B. Morrison 1885 Purdue Univ. 1220 Potter Drive, West Lafayette, Indiana 47906, USA
Sept. 29 - Oct 17	Panama	Landsat Mosaic Workshop (instructions in Spanish)	Sponsored by the Defense Mapping Agency, Inter-American Geodetic Survey, and EROS Program. Contact: Chief, DMA-IAGS Cartographic School, APD Miami Florida 34004, USA
Oct. 1 - 2	Québec Canada	Argos User's Conference	Service Argos CNES, 18 av E. Belin 31055 Toulouse (France)
Oct. 6 - 9	Silver Spring USA	10 th International Laser Radar Conference (Meteorology ; atmosphere ; radiative transfer ; lidar instrumentation...)	AMS
Oct. 6 - Nov. 7	Flagstaff USA	Advanced training in Land use planning and Environment Applications (remote sensing)	USGS
Oct. 14 - 17	Paris	Short coursé on Digital Image processing	ICS
Oct. 15 to June 19 1981	Toulouse France	CETÉL - Cycle d'enseignement de la télédétection	GDTA, 18, av. E. Belin 31055 Toulouse Cédex, France
Oct. 30 - Nov. 1	Oslo Norway	Symposium on Direct & Indirect Methods for remote sensing of Underwater Temperature, Salinity, Density	H. Dolezalek Office of Research, Washington, USA and National Research Council, Norway
Nov. 25 - 26	Montréal Canada	Colloquium on the application of the next Generation of Earth resources satellites The objective of the colloquium is to determine as precisely as possible the format and way of using the data products from the next generation of earth resource satellites, namely Landsat D and SPOT. The colloquim will be based on a program of simulated data products. Certain application areas will be selected for scrutiny by resource persons. The meeting will accommodate presentation of results followed by critical discussions.	Jointly sponsored by the Ministère de l'Énergie et des Ressources du Québec and the Canada Centre for Remote Sensing.
Dec. 1 - 4	Miami Beach USA	5 th International Conference on Pattern Recognition	IEEE
Dec 15 - 17	College of St Mark and St John, Plymouth U.K.	The seventh annual conference of the Remote Sensing Society "Geological and terrain analysis applications of remote sensing"	Michael Bradshaw Department of Geography and Geology, College of St Mark & St John, Derriford Road, PLYMOUTH PL6 8BH, UK tel : 0752-777188 X232
1980	Brookings South Dakota	Continuing : Training in Remote Sensing. Long term (3-12 months) detailed training in technical and administrative techniques of remote sensing technology.	Dr. Donald G. Moore, Remote Sensing Institute South Dakota, State University, Brookings, South Dakota 57006

1981

Jan. 5 - 8	University of Kansas Lawrence USA	URSI Commission F Symposium on Signature Problems in Microwave. Remote Sensing of the Surface of the Earth.	Ms. Dale Grube, The University of Kansas, Kansas City Office of Conferences and Centers, 990D Mission Road Shawnee Mission Kansas 66206, USA
Feb. 2 - 6	Reston, Va USA	International Training Course : Principles of Data Processing for earth scientists	USGS National Center (917) Reston Virginia 22092 USA
Feb. 9 - March 6	Flagstaff USA	Advanced training in Digital Image processing	USGS
Feb. 22 - 27	Washington USA	Annual Congress on surveying and Mapping (Cartography; photogrammetry; remote sensing ...)	ASP
Apr. 13 - 16	York UK	2nd International Conference on antennas and Propagation (Satellite systems; propagation aspects of remote sensing by radars...)	IEE/IEEE URSI/...
Apr. 19 - 22	Los Angeles USA	Annual Meeting (Rural remote Sensing; cartography...)	AAG
May 19 - 20	Voss Bergen Norway	5 th General Assembly EARS&L	EARSeI Secretariat General

June 2 to Jul. 3	Flagstaff Arizona USA	Geologic interpretation	John A. Reinemund Chief, Office of International Geology U.S. Geological Survey National Center MS/917 12201 Sunrise Valley Drive, Reston, Virginia 22092, USA
June 15 - 17	Helsinki Finland	Detailed content of Conferences announced upon request of the organizers	Erkki Oja Helsinki University of technology Department of technical physics SF-02150 ESP00, 15 Finland
Aug. 11 - 12	Washington USA	20 th General Assembly of URSI Open Remote Sensing Symposium (sea, land, atmosphere, data processing)	Dr. D. L. Croom Rutherford Laboratories Ditton Park Slough Berks SL3 9JX U.K.
Sept. 8 - 11	San Francisco USA	Annual Congress on Surveying and Mapping (cartography; photogrammetry; remote sensing...)	ASP
Oct. 5 - Nov. 6	Flagstaff Arizona USA	Land use planning and environmental applications	John A. Reinemund Chief, Office of International Geology U.S. Geological Survey National Center-M/S917 12201 Sunrise Valley Drive Reston, Virginia 22092, U.S.A.

1982

Feb. 8 - March 5	Flagstaff Arizona USA	Digital image processing	John A. Reinemund Chief, Office of International Geology U.S. Geological Survey National Center-M/S917 12201 Sunrise Valley Drive Reston, Virginia 22092, U.S.A.
